Refer & Earn

THE EASIEST WAY TO FUNDRAISE THIS SEASON!

As community sport volunteers, we know that fundraising can be one of the biggest challenges facing sports clubs and associations.

If you and your players/parents are happy with your Border Studios photos, simply let other clubs and associations know, and you will receive 5% of their total sales when we take their photos!

You can refer any number of clubs from any sport! The earning potential is virtually limitless, simply ask families to share our information with other sports clubs they're involved in!

BONUS FUNDRAISING OPPORTUNITY
